Network: chowning

Internet Password: flatpick

Location Codes

GR – Great Room (the living room in the main house)

D – Den (downstairs in the main house)

AH – Andy's House (The Garage)

MR – Music Room (the bright green room across from the upstairs bathroom)

Depending on the weather, feel free to take your class outside. It's a great place to pick!

Meal Info

Lunches and afternoon snacks are provided for all students. Breakfasts and dinners are provided for sleepover or additional meal plan campers only. Thursday supper and Sunday brunch, however, are for EVERYONE! Make sure to put your name on a Camp Cup. That's your cup for the whole weekend and if you need it washed, just deliver it to Miss Lela and she'll take care of everything.

Shower

Campers staying on-site will all use the downstairs shower. All campers may use any toilet or sink in the house. There is also a porta-john available outside for anyone's use. Campers assigned to the cabin outside should use the shower and sink in the cabin unless otherwise directed.

Night Events

All campers are welcome to take part in evening activities regardless of day camp or sleepover status. Spouses are welcome to join on field trips.

Morning Meeting

Find your way to the Great Room every morning after breakfast and before Core Classes to hear the day's announcements. Be in the know!

Recording with Your Heroes

Our camp instructors will be available to coach and then record a song/tune with any campers who choose to sign up for the recording experience. You may sign up on Friday at any time for the available slots. You can do a duet with the instructor or get a group of campers together – however you want to do it! You will have scheduled time to connect with your instructor to get an arrangement together and rehearse. If you ask around amongst the other instructors or your camp directors, you might have the option of additional rhythm guitar, fiddle, or vocals on your recording. On the day of the recording, all the campers will gather in the studio (Andy's House) for a briefing on the recording process and then each of the groups will record their song – each group can take a couple of passes at the recording so there's no need to be nervous.
